DANCE

Unique and hand-made: these are the elements that make **C&C Milano** hand embroidered Home Linens stand out in the decoration landscape. The **DANCE** collection consists of six embroidery styles: **BACHATA**, **LAMBADA**, **MAMBO**, **MAZURKA**, **SAMBA** e **VALZER**.

All designs are contemporary interpretations of classical linen decoration, creating unique pieces in which craftsmanship and style meet. It's now possible to give your bed and table a contemporary classic look, adding a personal touch to linen or cotton sets. The selection of embroidery colours available enable a natural fusion with your existing scheme or space.

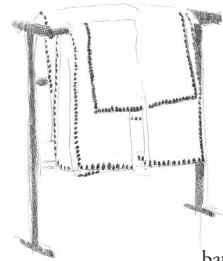

The **DANCE** collection represents a move towards contemporary home embellishment while maintaining a valued approach to luxury.
